Love Lockdown

Katie.Martucci

I'm not lovin' you the way I wanted to
What I had to do, had to run from you
I'm in love with you but the vibe is wrong
And that haunted me all the way homeSo you never know, never never know
Never know enough, 'til it's over, love
'Til we lose control, system overload
Screamin', "No, no, no, n-no!I'm not lovin' you the way I wanted to
See I wanna move but can't escape from you
So I keep it low, keep a secret code
So everybody else don't have to knowSo keep your love locked down, your love locked down
Keepin' your love locked down, your love locked down
I keep your love locked down, your love locked down
I keep your love locked down, you loseI'm not lovin' you the way I wanted to
I can't keep my cool, so I keep it true
I got somethin' to lose, so I gotta move
I can't keep myself and still keep you tooSo I keep in mind when I'm on my own
Somewhere far from home, in the danger zone
How many times did I tell ya for it finally got through?
You lose, you loseI'm not lovin' you the way I wanted to
See I had to go, see I had to move
No more wastin' time, you can't wait for life
We're just racin time, where's the finish line?So keep your love locked down, your love locked down
Keepin' your love locked down, your love locked down
I keep your love locked down, your love locked down
I keep your love locked down, you loseI'm not lovin' you the way I wanted to
I bet no one knew, I got no one new
Know I said I'm through, but got love for you
But I'm not lovin' you the way I wanted toGotta keep it goin', keep the lovin' goin'
Keep it on a roll, only God knows
If I be with you, baby I'm confused
You choose, you chooseI'm not lovin' you the way I wanted to
Where I wanna go, I don't need you
I've been down this road, too many times before
I'm not lovin' you the way I wanted toSo keep your love locked down, your love locked down
Keepin' your love locked down, your love locked down
I keep your love locked down, your love locked down
I keep your love locked down, you lose
You lose, you lose, you lose, you lose
