

# Viva Life On Mars

Robbie Williams

I just wanna be  
I just wanna be  
I just wanna be  
I just wanna be  
I lost all faith in what I know  
The future doesn't need me so  
I kick a bow, again a woah  
And yet until it don't hurt no more  
Use my cuts and lacerations  
Feed myself a new sensation  
Woah, woah  
I take a ride on your high horse  
The horse is blind, use the force  
A falcon flies in two straight lines  
Red five standing by  
Start a morning subspace station  
It feels good the good vibration  
Woah, woah  
I'm all that you know  
Some lovely people  
Send them all an invitation  
Party to a segregation  
Woah, woah  
Viva life on Mars I'm calling  
Sending my frequency to the galaxy  
As only you can see  
Be more than me  
They don't want us to discuss  
The picture in the gaze of us  
A nosebleed and a bag of coal  
Then they put you in a hole  
We're knee deep in information  
They can't stop this conversation  
No, woah  
I'm all that you know  
Some lovely people  
Send them all an invitation  
Party to a segregation  
Woah, woah

Viva life on Mars, I'm calling  
Sending my frequency to the galaxy  
As only you can see  
We're all down here  
I just wanna be  
I just wanna be  
I just wanna be  
I just wanna be  
I just wanna be  
I just wanna be  
I just wanna be  
I just wanna be  
Love is natural, love is good  
Not everybody does it but everybody should  
Them and us, we've made a mess  
Till they decide which God is best  
Free yourself from liberation  
From Lake Geneva to the Freeland station  
Woah, woah  
I know that you know  
Some lovely people  
Send them all an invitation  
And party to a segregation  
Woah, woah  
Viva life on Mars I'm calling  
Sending my frequency to the galaxy  
As only you can see  
We fall down here  
Viva life on Mars I'm calling  
Viva life on Mars I'm calling  
Viva life on Mars I'm calling  
Viva life on Mars I'm calling
