

# Breathe

## Rhodes

Mind break in two,  
There's a light in the sky, there's a light  
And it's all for you  
Dawn colors all  
Tell me how do you feel?  
Tell me how do you need to heal? Are you holding your breath again?  
Are you holding your breath again?  
Breathe, release it all  
Come on now, I'll keep you warm  
Breathe, release it all  
Come on now, I need your love  
Come on now! I'll steer the wind, don't you move  
Will it carry me, easily carry me close to you  
Don't, loose your sight  
When the fire in your heart takes a hold of your life Are you holding your breath again?  
Are you holding your breath again?  
Breathe, release it all  
Come on now, I'll keep you warm  
Come on!  
Breathe, release it all  
Come on now, I need your love  
Come on now! Never give up, never give up  
Never give up,  
Never give up, never give up  
Never give up, Breathe, release it all  
Come on now, I'll keep you warm  
Come on!  
Breathe, release it all  
Come on now, I need your love  
Come on now! There's a light  
It's all for you  
Come on now!  
There's a light  
It's all for you  
Come on now!  
There's a light  
It's all for you  
Come on now! Breathe, release it all!
