So Cold (The Good Wife Trailer)

Ben Cocks

Oh, you can't hear me cry
See my dreams all die
From where you're standing
On your own.
It's so quiet here
And I feel so cold
This house no longer
Feels like home.(uhhhhh....)Oh, when you told me you'd leave
I felt like I couldn't breathe
My aching body fell to the floor
Then I called you at home
You said that you weren't alone
I should've known better
Now it hurts much more.(uhhhhh....)You caused my heart to bleed and
You still owe me a reason
'Cause I can't figure out why...
Why I'm alone and freezing
While you're in the bed that she's in
And I'm just left alone to cry(ohoaoaohoaohoaohaoaohoaohoaoh, yeah yeah yeah.....)Oh, you can't hear me cry
See my dreams all die
From where you're standing
On your own.
It's so quiet here
And I feel so cold
This house no longer
Feels like home.
