

# Not My Own

## Living Sacrifice

Self perception of this reason  
Strive against my heart that's needing  
Accused by this lust of flesh and death worldBorn again, born again  
(Life)  
Born again, born again  
(Peace)  
Born again, born again  
(Love)I am not my own  
I am not my own  
I am not my own  
I am notCannot contain, disassociate my sorrow and pain  
All distortions of hate, distortions of God  
Dissect, massacre, dissipateBorn again, born again  
(Life)  
Born again, born again  
(Peace)  
Born again, born again  
(Love)I am not my own  
I am not my own  
I am not my own  
I am not my ownFalse hope in man  
False faith in myself  
False life adorned in destructionFailed life in death  
Once ripped me open  
Now dissect, massacreBorn again, born again  
(Life)  
Born again, born again  
(Peace)  
Born again, born again  
(Love)I am not my own  
I am not my own  
I am not my own  
I am not my own  
My own, my own, my own
