Save Me

Beyond Fear

I know there's something out there
A world that I should not fear
I sit here and I wonder
Why it's me and no other*CHORUS*
Can you see me crawling at you
Not knowing where I'm crawling to
Why don't you save me
Save me, save me, save meI feel I'm going under
A feeling like no other
I need someone to help me
Just point and I think I'll seeRepeat *CHORUS*I know the clock is ticking
I think I am worth saving
My life is going nowhere
I'm trapped, I just can't think clearRepeat *CHORUS*
