

Unbeautiful (Jason Nevins Radio Edit)

[Lesley Roy](#)

Don't hang up, can we talk?
So confused, it's like I'm lost
What went wrong? What made you go?
Don't pretend you don't know
This is me, I'm unchangeable When did we fall apart?
Or did you lie from the start?
When you said it's only you
I was blind, such a fool
Thinking we were unbreakable It was you and me against the world
And you promised me forever more
Was it something that I said?
Was it something that I did?
'Cause I gotta know what made me unbeautiful I've been told what's done is done
To let it go and carry on
And deep inside I know that's true
I'm stuck in time, stuck on you
We were still untouchable It was you and me against the world
And you promised me forever more
Was it something that I said?
Was it something that I did?
?Cause I gotta know what made me unbeautiful Wake up, wake up, wake up, wake up
?Cause I'm only dreamin'
Get out, get out, get out, get out
Get out of my head now Because we're much better all together
Can't let go! It was you and me against the world
And you promised me forever more
Was it something that I said?
Was it something that I did?
?Cause I gotta know what made me unbeautiful It was you and me against the world
And you promised me forever more
Was it something that I said?
Was it something that I did?
?Cause I gotta know what made me unbeautiful
Made me unbeatiful
