

Shoreline (feat. Jaimee Harris)

[Andrew James](#)

I'm complicated - never know what I want 'til it's gone - so frustrated - from being the one always leading you
on - and I'm sorry - for always being so damn confusing - I'm a shoreline - like the seasons you know I'll
change - in time - you will see my good but it comes in waves - and just as the tides - I can be low and I can get
high - oh - lord knows I'm a shoreline - and I'm learning - not to pretend to feel something I don't - cause it's
hurting you and me - I'm a shoreline - like the seasons you know I'll change - In time - you will my good but it
comes in waves - and just as the tides - I can be low and I can get high - oh - lord knows I'm a shoreline - and
it's not what you think - see my heart can hold more than I show - but I'm not giving up - 'til I figure out just
how to love - I'm a shoreline - like the seasons you know I'll change - in time - you will my good but it comes
in waves - just as the tides - I can be low and I can get high - oh - lord knows I'm a shoreline
