

Bang! Pow! Boom!

Insane Clown Posse

(chorus) with a bang! say good bye to everything
cause complete inhalation is the reason he came
and a pow! he's wiping everything out,
turn your whole fuckin' world into a mushroom cloud
and a boom! it your inevitable doom, nobody escapes and everybody's consumed welcome to the dark carnivals
super show,
you're our specially invited guests and I'll tell you what for
cause you're the evilest pedophiles, racists and abusers
all together we got
fifty-thousand of you losers
you're about to witness an incredible sight
no body's ever lived to tell about it
and don't think u might
its about to rain flames frames and brains
to be blown into pieces is the reason u came
racists bigots wife beaters, judges and cowards all crowded together
expecting a show and some dollars
but instead the shit you're gonna see
you're fearing in hell
it a concert explosion, seeing feelings u shall(chorus) (x1)in the deserts of Nevada
where nothin' else matter, its the perfect place for you and your intestines to splatter
and while bang! pow! boom! steady stop you all out
you're in the hole for the nuclear fall out with the snakes and creepy freak
hotch and cotch and horny freaks
shady ladies evil Ernie's richy richs and Charlie cheeps
bang pow boom! they say the show is the bomb
i heard its straight up explosives, some even call it napalm
nobody paddles back, it no kinda war
it's a one way execution, blow u straight to hell through the floor
what the fuck you think you here for sound the alarm
ladies and gentleman eat shit and die, lets bring em on(chorus) (x1)the earth is sick of demented brains and
thoughts, but here they are all together, every one of them caught
this is a celebration, in fact the carnival's cheering
its not too often bang pow boom! makes an appearance
and the winds in the sky will carry away with the ash
but for now lets enjoy, the big bang blast!(chorus)
