

Brite Side

Debbie Harry

Whenever I collapse
Whenever I fold in your arms
That's when I know I'm holding you
Holding you
Within my grasp
Whenever I feel trapped
Held by the inescapable
I try to put my mind at ease
Protect the heart worn on my sleeve
That's when I feel brand new
I'm looking on the bright side
I've got my visuals
I'm looking on the bright side
My 20-20's true
I'm looking on the bright side
That's when I know it's you
Whenever I'm in red
A guardian angel's flying round my head I feel your touch
Warm as red's
Embarrassment innocence blush
That's when I feel brand new I'm looking on the bright side
I've got my visuals
I'm looking on the bright side
My 20-20's true I'm looking on the bright side
That's when I know it's you
Whenever I'm in bed
I see myself in wide-screen love scene Close-up
I'm holding you, holding you
We're wrapped in blue
I'm looking on the bright side I'm looking on the bright side
