

Bad Seamstress Blues / Fallin' Apart at the Seams

Cinderella

Old man looks much younger now
He lost his strength, respect somehow
Look in the mirror at what I found
It's just the past and it's over now Ooh, it's over now
Ooh, it's over now My heart's like a wheel
Head's just a stone
I got my memories
Ain't got no home (Fallin')
Ooh, fallin' apart at the seams
(Fallin')
Ooh, yeah, fallin' apart at the seams Old friends seem much closer now
They stand the test of time somehow
Look at the winner who hit the ground
It comes around and then it goes back down Ooh, it's over now
Ooh, it's over now My heart's like a wheel
Head's just a stone
I got no memories
Ain't got no home (Fallin')
Ooh, fallin' apart at the seams
(Fallin')
Ooh, yeah, fallin' apart at the seams My heart's like a wheel
Head's just a stone
I got my memories
Ain't got no home (Fallin')
Ooh, fallin' apart at the seams
(Fallin')
Ooh, yeah, fallin' apart at the seams (Fallin')
I'm fallin' fallin'
(Fallin')
Ooh, yeah, ooh, yeah
