Slow Motion

Saint Motel

All this anticipation
For you I'm accommodating
It's magic, a strange voodoo
When you're near the whole world turns toSlow motion
When you're in the room
Slow motion
The way that you moveI want you
An addiction
'Cause without you
There's something missing
I love it, it just feels right
Yeah, don't move, no
It kinda looks likeSlow motion
When you're in the room
Slow motion
The way that you moveGot offers on the table
But for you I'm ready and able
It's magic, a strange voodoo, but
When you're near the whole world turns toSlow motion
The whole world turns to
Slow motion
The whole world turns to
Slow motion
When you're in the room
Slow motion
The way that you moveSlow motion
The whole world turns to
Slow motion
The whole world turns to
Slow motion
When you're in the room
Slow motion
The way that you move
