Make It Happen

Lawson

If you want love
You gotta give it out
You gotta give it out
Give it to meIf you want love
Gotta do it now
Gotta do it now
Give it to me
YeahCHORUS
Wooah oh oh oh oh
You gotta make it happen (it happen)
Wooah oh oh oh oh
You gotta make it happen (it happen)
YeahLose control
We can sweat it out
We can sweat it out
Give it to meWhat I need
Is everything you got
Everything you got
So give it to me yeahCHORUS
Wooah oh oh oh oh
You gotta make it happen (it happen)
Wooah oh oh oh oh
You gotta make it happen (it happen)
YeahIf you want love
Gotta make it happen
If you want love
Gotta make it happen
