

Born To Boogie

T. Rex

Baby baby I was born to boogie,
Baby baby I was born to boogie,
Spend some time with you, I wanna do all I wanna do. Baby baby I was born a motivation,
Baby baby I was born a motivation,
Spend some time with you, I wanna do all I wanna do. Boogie children, uh ah,
Boogie children, uh ah,
Boogie children, uh ah,
Boogie children, uh ah
