

Monster (Beige Town Remix)

Meg & Dia

His little whispers
Love me love me
That's all I ask for
Love me love me
He battered his tiny fists to feel something
Wondered what it's like to touch and feel something Monster
How should I feel?
Creatures lie here
Looking through the window That night he caged her
Bruised and broke her
He struggled closer
Then he stole her
Violet wrists and then her ankles
Silent pain
Then he slowly saw their nightmares were his dreams Monster
How should I feel?
Creatures lie here
Looking through the windows
I will
Hear their voices
I'm a glass child
I am Hannah's regrets
