

# Dig That Groove Baby

## Toy Dolls

Friday night is bath night this is what they say  
We are gonna dig the groove, we've waited all day  
We wear trendy trousers with belts a mile too long  
We are gonna catch the bus into the town  
We are boogie on down...

### CHORUS:

Dig that groove ba-a-by (repeat)  
Dig dig dig dig digga that groove baby.  
There they are again covered in Old Spice  
They think they will get the girls cause  
they smell nice,  
They all call me riff raff  
'Coz I wear a Crombie  
I couldn't stand it being just like them  
they all look like puffs not men

### CHORUS

See that trendy there she used to be a punk  
Now she's off to the disco to listen to junk  
Her boyfriend was a skinhead  
He used to shout Oi! Oi!  
Play that funky music that's what they say now  
Come with me and I'll show you how...
