

# Go Now

## Antje Duvekot

Here's your moon  
Here's your stars  
    Go now  
    Go now  
Here's the sun  
Here's the birds  
Here's you are  
    Go now  
    Go now  
Got a stellar reputation  
As the star that never fell  
As the train that left the station  
As the secret that no one could ever tell  
    Here's the lamp  
    Here's the landing  
We might never understand it  
    Go now  
    Go now

Here's the trees red and gold  
Here's the snow  
Here we go now  
    Let's go now  
I was waiting for the leap year  
And got caught out in the rain  
    Singing like a sparrow  
Always planning my narrow escape  
Here's the morning shining on us  
    Here's the twilight upon us  
    Here's the moon  
    Here's the stars  
    Here I am  
    Here you are  
    Let's go now
