

# Show Me Love (Stone's Club Mix)

## Robin S.

Ahh, yeah yeah  
Youve got to show me loveHeartbreaks and promises  
    Ive had more than my share  
    Im tired of giving my love  
And getting nowhere, nowhereWhat I need is somebody  
    Who really cares  
    I really need a lover  
A lover that wants to be thereIts been so long  
    Since I touched a wanting hand  
    I cant put my love on the line  
That I hope youll understandSo baby if you want me  
    Youve got to show me love  
    Words are so easy to say, oh ah yeah  
Youve got to show me loveIm tired of getting caught up  
    In those one night affairs  
    What I really need is somebody  
Who will always be thereDont you promise me the world  
    All that Ive already heard  
    This time around for me baby  
Actions speak louder than wordsIf youre looking for devotion, talk to me  
    Come with your heart in your hand  
Because my love is guaranteedSo baby if you want me  
    Youve got to show me love  
    Words are so easy to say, oh ah yeah  
Youve got to show me loveShow me, show me baby  
    Youve got to give it to me  
    Give it to me, give it to me, yeah  
    I dont want no fakes, dont want no phoney  
I need your loveShow me, show me, show me baby  
    Give it to me, give it to me  
    I am not a toy, Im not a play thang  
Youve got to understandIf youre looking for devotion, talk to me  
    Come with your heart in your hand  
    Because my love is guaranteed  
    Yeah, yeah, yeah, yeah, yeah
