Footprints In the Sand

Shakatak

You walked with me, footprints in the sand
And helped me understand where I?m going
You walked with me when I was all alone
With so much I know along the way
Then I heard you say
I promise you, I?m always there
When your heart is filled with sorrow and despair
I?ll carry you when you need a friend
You?ll find my footprints in the sand
I see my life flash across the sky
So many times have I been so afraid
And just when I have thought I lost my way
You give me strength to carry on
That?s when I heard you say
I promise you, I?m always there
When your heart is filled with sorrow and despair
And I?ll carry you when you need a friend
You?ll find my footprints in the sand
When I?m weary, well, I know you?ll be there
And I can feel you when you say
I promise you, I?m always there
When your heart is filled with sadness and despair
I?ll carry you when you need a friend
You?ll find my footprints in the sand
I promise you, I?m always there
When your heart is full of sadness and despair
I?ll carry you when you need a friend
You?ll find my footprints in the sand
