

One Sweet World

Dave Matthews Band

Nine planets round the sun
Only one does the sun embrace
Upon this watered one
So much we take for granted
So let us sleep outside tonight
Lay down in our mother's arms
For here we can rest safely If green should slip to grey
But our hearts still bloody be
And if mountains crumble away
And the river dry Would it stop the stepping feet Take all that we can get
When it's done
Nobody left to bury here
Nobody left to dig the holes
And here we can rest safely One sweet world
Around a star is spinning
One sweet world
And in her breath I'm swimming
And here we will rest in peace
