Underrated

Dbkkb

Said I'm so underrated
(oooooohhh)
Said I'm so underrated (yeahhh)
[Intro:]I done wrote songs that made tears fall
I done wrote songs that made your ex call
Songs that'll make grown men get down on bended knee
And the things that I do you only gone get from me but I'm so underrated
[Chorus]Lookin at my watch its about that time
I done patiently waited
And I hate
That I'm so underrated
I hope you hear this song and know I'm singing from the heart
And I'm kinda faded
I wasn't created to be so underrated
[Verse 1:]God I got a gift but they just don't see me
Couple mo prayers I hope you can hear me
I done made these companies a whole lot of paper
But with all of this success I still wanna be greater
Gave a good return when the streets bet
Truth is that I ain't really peaked ya
And I cant get the things that he get
Damn I'm so underrated
[Chorus]Lookin at my watch its about that time
I done patiently waited

And I hate it
That I'm so underrated
I hope you hear this song and know I'm singing from the heart
And I'm kinda faded
I wasn't created to be so underrated
[Verse 2:]God I got a gift but they just don't see me
Couple mo prayers I hope you can hear me
I'm bout to switch the style up
And if they hate then let em hate
And watch the money pile up
And now when I hit the stage
They gone scream my name
Somebody must've turn the crowd up
And they gone pay about a million for the show

G6 on that runway got somewhere to go
And we gone laugh about the days I was broke
And so underrated
[Chorus]Lookin at my watch its about that time
I done patiently waited
And I hate
That I'm so underrated
I hope you hear this song and know I'm singing from the heart
And I'm kinda faded
I wasn't created to be so underrated
[Outro:]God I got a gift but they just don't hear me
Got some prayers I hope you can hear me
