## Tela

## **Phish**

The sky is burning in this lonely land And I kneel by the river And I feel the sand and the wind

The wind from beyond the mountain

The wind from beyond the mountainAnd she comes to me in this lonely land

And looks down from the multi-beast

On which she rides like the wind

The wind from beyond the mountain

The wind from beyond the mountainTela was born in a vulgar crooked hut

In the shadow of Wilson's castle

Venomous scorn from a life of bitter toil

In the shadow of Wilson's castleGlory esteem fueled by her hatred it grew

Swelling to the point where it would

Burst at the seems

There was nothing she could doTela Tela jewel of Wilson's foul domain

Tela Tela jewel of Wilson's foul domain

A lullaby the breezes whisperAnd I look into her eyes

And my frozen heart begins to thaw

And burns, 'til layer after layer

Melts away into a pool

A sky blue mirror of her eyesAnd my soul is made of marble

But in her gaze I crumble into dust

And drift away on the wind

The wind from beyond the mountain

The wind from beyond the mountainTela grew strong from her struggle

To endure in the shadow of Wilson's castle

Time touched her wounds

And shelter proved the cure

In the shadow of Wilson's castleEach passing day seemed to feed

The brazen serpent locked inside

And liberate the spirit

She'd concealed for so long

There was no place left to hideTela Tela jewel of Wilson's foul domain

Tela Tela jewel of Wilson's foul domain

A lullaby the breezes whisper
