

Sweet Inspiration

The Derek Trucks Band

I need your sweet inspiration
I need you here on my mind every hour of the day
Without your sweet inspiration
The lonely hours of the night just don't go my way
A man in love needs sweet inspiration
And honey that's all I ask, that's all I ask from you
I gotta have sweet inspiration
You know there's just no telling what a satisfied man might do
If I'm out in the rain baby, in a bad situation
I just reach back in my mind to find sweet, sweet inspiration
Sweet, oh what a power
And I've got the power every hour in the day
I need your sweet inspiration
To go on livin', to keep on givin' this way
Sweet, sweet inspiration
Sweet, sweet inspiration
