Ms Krazie

that's right ,ms.krazie Reyes urbanos .. pa cualquier puto hijo de la chingada ya sabes quien eres ..... y esta es dedicada.
i was thought i loved you
can't
believe that i did then you left
went way so i did what i did
i cant belivev it when they told me that they seen you with somebody whos a bitch let me at her! so u called up everybody and you told them what to say cuz i asked u for an alliby , and what u think im stupid fool? im not the ones thats on your mind.
now look at me what the fuck u tryna hide i aint about to waist my time on this worthless homicide, ama but u to the side and forget about it all.
but before u go away let me tell u wat i saw.
so u look over ur shoulder everytime that u in town when your out with that hoe!
and girls i seen around catch u on the rebound, i seen u walking with her,
now i don't see why u changed me for her that's a blur.
uglyass piece of shit of a rat ur dealing with, but fuck it i dont care i aint the one whos daitin it
now i dont give a fuck about u and if i ever did vale verga my reaction i went thru hell and back with u seperated from reality pues i dont think i can remember what the fuck i saw en ti!
now i dont give a fuck about u and if i ever did vale verga my reaction i went thru hell and back with u seperated from reality but now im gone chinga tu madre guey no creo enti.
now ur happy with her thats for a limited time
then my phone rings up and its u on the line
tellinme que te perdone por haberme traicionado
q me quieres q me amas y q mucho me has llorado
guardate tus pinches cuentos i dont believe u
and maybe this time ill be the one to decieve u
fucken perro desgraciado vete mucho a la chingada
y gracias ati aohra soy una malandria
watch me picking up vatos and throwing them al suelo
haciendolos adictos al dinero y cemento
arrancando con sus vidas como tu con la mia!!!!!
y yo q tanto te quieria
y tu no me merecias
but fuck it ya lo echo esta hecho
and as im playing vatos strab u straight it the pecho

thats rite u heard it straight from the mistress of latina rap.
and ima always treat u bad
like that u fucken bitch ese?!!!

now i dont give a fuck about u and if i ever did vale verga my reaction
i went thru hell and back with u
seperated from reality
pues i dont think i can remember what the fuck i saw en ti!!!1
now i dont give a fuck about u and if i ever did vale verga my reaction i went thru hell and back with u
seperated from reality but now im gone chinga tu madre guey no creo enti.
ya no lloro por ti ,
algun dia yo me di cuenta que con lagrimas de sangre
acababa casi muerta
ya mis manos maltratadas llenas de esas cicatrices
admito fui una estupida al ver como me finges
ya vendra ese dia en que llegue ese amor
un vato firme peloncito que no me cause dolor
busco un vato loco
que conmigo se cobije
el q este aqui conmigo cuando yo lo necesite
cruisin it on a sunday afternoon with him
until death do us part ima be with him
aint no time wasted when we inbetween the sheets
packin clips inbetween my tits to close his lips but.....
till that day comes imma always be a rider
and still down for that clear whit fog takes me higher
ya te dije my love was never ur fucken toy
so if u have something to say close ur mouth homeboy!!!!
now i dont give a fuck about u and if i ever did vale verga my reaction
i went thru hell and back with u
seperated from reality
pues i dont think i can remember what the fuck i saw en ti!!!
now i dont give a fuck about u and if i ever did vale verga my reaction i went thru hell and back with u
seperated from reality but now im gone chinga tu madre guey no creo enti.
