

# Four Days

## Slumgudgeon

All I want is something good  
It gets harder every time  
She is leaving here tonight  
Take a breath, take your time  
Spread your wings and riseMake a mark upon the wall  
Paint your face and pass the time  
Close your eyes and she ascends  
Hold your breath, ease your mind  
Forty thousand timesTime fade into the night  
They descend and then they climb  
Feathers falling through the night  
Have you seen Ohio rise?  
It has been four days and nightsAll I want is something fine  
It gets harder every time  
She is sleeping far away  
Take a breath, take your time  
Spread your wings and riseRise through the black Ohio sky  
They descend and then they climb  
Feathers falling through the night  
Have you seen Ohio rise?  
It has been four days and nights, nights
