Choke Hold

The Haunted

You fucking maggots,
don't crawl for me I'm not your friend.
Spare me your bullshit,
you animals with human eyes.With power
I constitute my norm.
With hatred
I cleanse this putrid world.We are the dead,
Rising!
Life slips away,
Chokehold!
You fucking insects,
don't talk to me I'm not your friend.
Spare me your bullshit,
you animals with human eyes.With power
I constitute my norm.
With hatred
I rule this blood dimmed world.We are the dead,
Rising!
Life slips away,
Chokehold!Sad mortals you're hollow.
Your man-made god won't save you.
Don't try to escape me
I will prevail.
Transparent human life form.
Barbed wire in your veins.
Diseased and lifeless creatures,
Now enter death!
