

# I Believe In This Life

Jermaine Paul

Cause I believe in this life  
Cause I believe in this life  
Life I'm crying on a red eye tonight  
'Cause I'm dying to wake up by your side  
So I jump on a feeling  
My head to the ceiling  
Now you got me believing (I believe in life)  
I've been pushed to the limit  
And now I can see it  
I'm enjoying every second Living out this life  
(I'm living out on a dream)  
(It's all in my life)  
(Baby you hold me tight)  
'Cause I believe in this life  
(I'm breaking out of control)  
(...)  
(Finally I can see) Do you believe in this?  
Na, na, na, na, na, na, na, na, na, na...  
Do you believe in this?  
Na, na, na, na, na, na, na, na, na, na... They told me that I can't do this alone  
But I've been fighting just to make this my own So I jump on a feeling  
My head to the ceiling  
You got me believing (I believe in life)  
I've been pushed to the limit  
And now I can see it  
I'm enjoying every second Living out this life  
(I'm living out on a dream)  
(It's all in my life)  
(Baby you hold me tight)  
'Cause I believe in this life  
(I'm breaking out of control)  
(...)  
(Finally I can see) Do you believe in this?  
Na, na, na, na, na, na, na, na, na, na...  
Do you believe in this?  
Na, na, na, na, na, na, na, na, na, na...  
Do you, do you, do you  
Do you believe in this? (Na, na, na, na, na, na, na, na, na, na...) Do you believe in this?  
Na, na, na, na, na, na, na, na, na, na...

Do you believe in this?  
Na, na, na, na, na, na, na, na, na...  
Do you, do you, do you  
Do you believe in this?Na, na, na, na, na, na, na, na, na...  
Na, na, na, na, na, na, na, na, na...
