My Chemical Romance

Long ago
Just like the hearse, you died to get in again
We are so far from you
Burning on
Just like a match you strike to incinerate
The lives of everyone you know
And what's the worst to take
(Worst you take)
From every heart you break
(Heart you break)
And like a blade you stain
(Blade you stain)
Well, I've been holding on tonight
What's the worst that I could say?
Things are better if I stay
So long and goodnight
So long and goodnight
Came a time
When every star fall
Brought you to tears again
We are the very hurt you sold
And what's the worst you take
(Worst you take)
From every heart you break
(Heart you break)
And like the blade you stain
(Blade you stain)
Well, I've been holding on tonight
What's the worst that I could say?
Things are better if I stay
So long and goodnight
So long and goodnight
Well, if you carry on this way
Things are better if I stay
So long and goodnight
So long and goodnight
Well, if you carry on this way
Things are better if I stay
So long and goodnight
When both our cars collide
What's the worst that I could say?
Things are better if I stay
So long and goodnight
So long and goodnight
Well, if you carry on this way
Things are better if I stay
So long and goodnight

So long and goodnight
