

Bottled Up

Katrina Elam

It ain't fading
Man I gotta let it out
Am I crazy?
Screaming nothing ever comes out I keep feeling lost
I'll never find my way out
I'm not thanking them
Unless the truth can pour out Give me some courage
Beating me down now for some time
Are you laughing, am I funny?
I hate inside, I hate inside I'll take this time
To let out what's inside
'Coz I will panic
Sometimes I wish you'd die Full of sorrow
You raped and stole my pride
And all this hate is bottled up inside My heart is breaking
Man you really ripped it out
You take pleasure watching
As I claw my way out The hurt rising
Soon it's gonna tear my soul out
Its not kosher feeling like I'm on my way out Give me some courage
Beating me down now for some time
Are you laughing, am I funny?
I hate inside, I hate inside I'll take this time
To let out what's inside
'Coz I will panic
Sometimes I wish you'd die Full of sorrow
You raped and stole my pride
And all this hate is bottled up inside Feeling the haze as they cut down my spine
Peeling your flesh like the way you've cut mine
Do you feel happy, you fucked up my mind
Your going to pay this time I'll take this time
To let out what's inside
'Coz I will panic
Sometimes I wish you'd die Full of sorrow
You raped and stole my pride
And all this hate is bottled up inside I'll take this time
To let out what's inside
'Coz I will panic Sometimes I wish you'd die
Full of sorrow

You raped and stole my pride
And all this hate is bottled up inside
