

# Before I Fall To Pieces

## Razorlight

Oh, one more drink and then I'll go  
But there's one more thing I've got to know  
Does he take you places that I don't?  
And what happened to the story that we wrote? You just say you don't know, you don't know  
Oh no, you don't know, you don't know, woo! Oh, let's just get this whole thing straight  
I don't wanna kidnap the truth and negotiate  
Or miss the point that they met you  
Just wanna hear you say something that you believe to be true But you say you don't know, you don't know  
You just say you don't know, you don't know  
What it feels like, what it feels like And so I'll go before I fall to pieces  
Yes, I'll go before I fall to pieces Now I'm just waiting for something that might never come  
If it's a million to one shot, I'll make sure I'm one  
Seems that nothing is safe except the truth turns to lies  
Never figured it out, I found out why So I'll go, yes I'll go  
Yes I'll go, yes I'll go  
Oh baby I'll go, oh yes I'll go  
Yes I'll go, oh yes I'll go Before I fall to pieces  
Before I fall to pieces  
Yes I'll go before I fall to pieces  
Yes I'll go before I fall to pieces
