

I'll Cry for You (Acoustic)

Europe

Never dream that I could fall but something's come over me
Now I'm sittin' starin' at the wall afraid for my sanity
The sound of your voice, the touch of your skin, is hauntin' me
I'm still tryin' to come to my senses
But I can't look back so I'm takin' my chances I wanna give you my heart, give you my soul
I wanna lay in your arms, never let go
Don't wanna live my life without you
But I know when you're gone
Like a fire needs a spark, like a fool in the dark
Honey, I'll cry for you, cry for you Wonderin' why I'm runnin' scared from what I believe in
I know that love is just another word to say what I'm feelin'
For once in my life the future is mine, it's callin' me
I've been searchin' so long for an answer
But it's too late now so I'm takin' my chances I wanna give you my heart, give you my soul
I wanna lay in your arms, never let go
Don't wanna live my life without you
But I know when you're gone
Like a fire needs a spark, like a fool in the dark
Honey, I'll cry for you I wanna give you my heart
I wanna lay in your arms
I wanna give you my heart
I wanna lay in your arms Don't make me cry for you
Don't make me cry now, baby now
I've been searchin' for an answer now
I'm wonderin' why I'm runnin' scared
Honey, I'll cry for you, everyday
