Where You Belong

Solea

If your feeling down or weak
You can always count on me.
I will always pick you up
Nothing's ever gonna change
Nothing's gettin' in my way
I will always hold you up
Anything come what may
Don't look back
Forget yesterday, forget yesterdayIt's not where you come from
It's where you belong
Nothin I would trade
I wouldn't have it any other way
You're surrounded
By love and you're wanted
So never feel alone
You are home with me
Right where you belongI know sometimes you're feeling lost
It's hard to find your place in it all
But you don't have to fear
Even when you mess up
You always got my love
I'm always right here
Oh, cause
Anything come what may
Don't look back
Forget yesterday, forget yesterdayIt's not where you come from
It's where you belong
Nothin I would trade
I wouldn't have it any other way
You're surrounded
By love and you're wanted
So never feel alone
You are home with me
Right where you belongOooh, Oooh, (Oooo)
Oooh, Oooh, (Oooo)
Don't matter where you've been
Oooh, Oooh, (Oooo)
Oooh, Oooh, (Oooo)
You're here for a reason

OoohhhoooooIt's not where you come from
It's where you belong
Nothin I would trade
I wouldn't have it any other way
You're surrounded
By love and you're wanted
So never feel alone
You are home with me
Right where you belong
