LA Cut Off

Glenn Hughes

Three years gone, comin' back strong
House in the hills, Beverley Hills
You can't get a thrill
Hold back resistance
Don't need assistance
So follow me babe, you can't go wrong
You know babe I'm comin' back
I'm comin' back strong
I'm comin' back strongI lived so good, too good, that's Hollywood
I've been the fool
But that ain't cruelIf you want me
You can have me baby
You can take me
If you want me baby
If you want me
You got to pay the price
If you want me take my advice
I'm comin' back strongOne friend in the city, now ain't that a pity
Everybody loves ya, everybody leaves ya
They all leave ya sometime
