## Wayne County & The Electric Chairs

Speed demon  
Terror strikes when nobody knows  
Speed demon  
Blasting out with dynamite blows  
EEC gonna put it in motion  
Mark of the beast right across the oceanSpeed demon  
Hell is for heroes, I'm told  
Speed demon  
Lake of fire and brimstone  
World War I, World War II,  
World War III, that's me and you  
Speed demon  
Economic war goes higher  
Speed demon  
Ressurrected Roman empire  
We're too stoned, baby. We can't knock it  
Ain't no way that we can stop itAn Old World power  
grows bigger by the hour  
The whore and her harlots  
take babylon much higher  
Economic union and military stand  
Religious, political  
Mark of the beast  
Speed demon  
Written in the hearts of men  
Speed demon  
The lightbringer strikes again  
Well, license to buy written on your forehead  
Tommorow: the United States of EuropeSpeed demon  
Speed demon  
Speed demon  
Speed demon

(repeat with violent hacking and gasping in the background to fade)
