Common Heat

No Age

I try to make myself seem vague
'Cause the words get so engraved
I don't like nothin' I heard before nowWhy do I come so close expecting to control?
Everyone around me knows
I'm in troubleI get myself up to go to work
I can't find my cleanest shirt
There's no way I can get out of bed now
Why do I come so close expecting to control?
Everyone around me knows
I'm in troubleI give myself some good advice
To stop thinkin' about it twice
Just get up and show 'em you're worth itWhy do you come so close expecting to control?
Everyone around you knows
You're in trouble
Why do I come so close expecting to control?
Everyone around me knows
I'm in trouble
I'm in trouble
