Displaced

Hanne Hukkelberg

As your heart I'll be with you
But in pain 'cause this things
I'm with you but not in you
In the place I should be

As your heart I beat for you
But you won't beat with me
I'm ashamed of you
'Cause you've put me in your mind
Oh, what a shame

As your heart I'm a prisoner
Trapped behind bars of your mind
I'm not guilty, so it's a pity
That you won't let me through
