

Since Last Wednesday

Highasakite

He would never do grafitti or vandalize that house
And he would never be caught spray painting on those peoples wallsBut no one has seen or heard from him
since last Wednesday
But no one has seen or heard from him since last Wednesday
Oh oh oh ohAnd he would never buy a weapon and bring it to our home
And he would never be foolish and lie about that nowBut no one has seen or heard from him since last
Wednesday
But no one has seen or heard from him since last Wednesday
Oh oh oh oh, oh oh oh oh
