Hickory Dickory Dock

100 Songs For Kids

Hickory dickory dock, hickory dickory dock
I wanna turn back, I wanna turn back
I wanna turn back the clockI wanna live last night again
Hold my baby tight again
Hickory dickory, dickory dockHickory dickory dock, hickory dickory dock
I'm doin' a flip, such a big flip
Flippin' all around the blockLast night at a quarter to nine
Lover man said he'd be mine
Hickory dickory, dickory dockHe came a callin'
We went ballin'
Last night around a quarter to eightWe went to see a show
Don't know what I saw
But the kissin' was greatHickory dickory dock, hickory dickory dock
Look at me shake, look at me quake
Look at my poor heart rockAnd I've got news for you
Oh, we're gonna say, "I do"
Hickory dickory, dickory dockHe came a callin'
We went ballin'
Last night around a quarter to eightWe went to see a show
Don't know what I saw
But the kissin' was greatHickory dickory dock, hickory dickory dock
Look at me shake, look at me quake
Look at my poor heart rockAnd I've got news for you
Oh, we're gonna say, "I do"
Hickory dickory, dickory dockHickory dickory, dickory dock
Hickory dickory, dickory dock
Hickory dickory, dickory dock
