Wicked

Boy Epic

You can call me fantastic Mr. Black
Give me a damn cigarette
Swallowing my regrets
With jack Daniels, on my breath
I need that therapy, that melody
I'm drowning in my sympathy
Doctor can you un-break meBecause I fell in love
Yes I fell in love
But wasn't good enough
For us
She's got that devil touch
That apocalyptic lust
I swear I'm not a sinner
I'm just beautifully broken
Now there's a darkness deep in me
I keep falling asleep
To these wicked dreams
Can't fight the darkness deep in me
It's where she likes to keep
Haunting my wicked dreamsYou can call me fantastic Mr. Black
So cool, now there's nothing left
but an empty soul
every thing is so bitter cold
I need a doctor please
No I can't sleep
She's the monster, but she's my queen
Broken halo on a comatose me
I fell in love
Yes I fell in love
But was never good enough
For us
She's got that devil touch
That apocalyptic lust
I swear I'm not a sinner
I'm just beautifully brokenNow there's a darkness deep in me
I keep falling asleep
To these wicked dreams
Can't fight the darkness deep in me
It's where she likes to keep

Haunting my wicked dreamsShe sings
Unbury me
Unbury me
She sings
Unbury me
Unbury meNow there's a darkness deep in me
I keep falling asleep
To these wicked dreams
Can't fight the darkness deep in me
It's where she likes to keep
Haunting my wicked dreams
I can't fight the darkness
Can't fight the darkness
Or my wicked dreams
My wicked dreams
