John Belushi

The Kidd Rizz

VERSE 1:
I hate my job I hate my school
I mean the work and the class but the peeps are cool
Because we party we love to party
We drink until we throw up and this is how we do

CHORUS:
Party like an animal do the John Belushi x 4

Drink until you pass out party â€˜till you black out
Do the John Belushi Do the John Belushi x 2

We came to party how â€˜bout you
What would John Belushi do x 3

Crash the party right on through thatâ€™s what John Belushiâ€™d do

VERSE 2:
I wake up late yeah Iâ€™m always late
Iâ€™ll grab a patty, calzone, and a Fanta grape
Then hit the gym but Iâ€™m too hung over
Iâ€™ll just go stare at the chicks while they do yoga

CHORUS:
Party like an animal do the John Belushi x 4

Drink until you pass out party â€˜till you black out
Do the John Belushi Do the John Belushi x 2

VERSE 3:
The Sun goes down this partyâ€™s dope
I use the Pepsi to mix but I still like Coke
Weâ€™ll be goinâ€™ all night so never fear
We start with liquor then move to beer now weâ€™re in the clear

CHORUS:
Party like an animal do the John Belushi x 4

Drink until you pass out party â€˜till you black out
Do the John Belushi Do the John Belushi x 2
