

# Ocean

[Anna von Hausswolff](#)

I want to go back to the Ocean  
I want to go back to wave God  
I want to go back to the Ocean  
I want to go back to where you go I take it back my honor  
I take it back my grace  
I take it back my loving  
I take it back SOMEDAY...Oooh... ooh...  
Stay to me closely  
My major sleep  
But I, I have heaven from me  
Away from you...
