

She's a Ruffian

Moxie Dose

She's a sweetheart if you treat her right
She's a little ruffian
She can stomp with the big dogs
She wont give in
Yeah, She's bad but she has a lot of class
Yeah, She's bad and she can kick your ass

My little Ruffian X2

She's a smart cookie
Don't you ever forget
She is one of a kind
She's a rufian
Dont you think twice
She will leave you behind
Yeah, She's bad but she has a lot of class
Yeah, She's bad and she can kick your ass

She's a little ruffian
