There's No Home For You Here

The White Stripes

There's no home for you here girl, go away

There's no home for you here I'd like to think that all of this constant interaction

Is just the kind of make you drive yourself away

Each simple gesture done by me is counteracted

And leaves me standing here with nothing else to sayCompletely baffled by a backward indication

That an inspired word will come across your tongue

Hands moving upward to propel the situation

Have simply halted

And now the conversation's doneThere's no home for you here girl, go away

There's no home for you hereI'm only waiting for the proper time to tell you

That it's impossible to get along with you

It's hard to look you in the face when we are talking

So it helps to have a mirror in the roomI've not been really looking forward to the performance

But there's my cue and there's a question on your face

Fortunately I have come across an answer

Which is go away

And do not leave a traceThere's no home for you here girl, go away

There's no home for you hereWaking up for breakfast

Burning matches

Talking quickly

Breaking baubles

Throwing garbage

Drinking soda

Looking happy

Taking pictures

So completely stupid

Just go awayThere's no home for you here girl, go away

There's no home for you here
