Crazy, Dangerous

[Nate Dogg](#)

Now life for me livin' on the streets
Used to be, hectic, scandalous
The people I meet when I'm on these streets
They can be crazy and dangerous
When you're broke as you can be and you're on them streets
You have to be cunning, homie
Keep your hand on the hardest man
Or you may be a dead man
Crazy, dangerous
Crazy, dangerous
Crazy, dangerous
Crazy, dangerous
Crazy, dangerous
Crazy, dangerous
Crazy, dangerous
Crazy, dangerous
