

# Why Can't You Love Me (feat. Spawnbreezie)

[Rebel Souljahz](#)

Why cant you love me  
Why cant you love me, love me, love me  
Why cant you love me  
Love me like you used to before  
We had a good thang, going now its all at the door  
Why cant you love me, love me, love me  
Why cant you love me  
Love me like you used to before  
We had a good thang, going now its all at the door  
Ooooo  
Thought i was special to you but no  
Lately she been acting so different  
Never spending time because shes always on the go  
But really i can see her from a distance  
Its nice hows shes leaving me its driving me crazy crazy
