

# Lets Make Some Plans

## Close Lobsters

Let's make some plans 'cause they can't go wrong

Getting there may be times three maybe not

To loosen your lips 'cause you're talking rubbish

To loosen your whole mistaken tenfold

(Ah, wa-oh, wa-oh, wa-oh)

(A while, while, while)

(You're wild, wild, wild) Ten million good reasons against

The mountain, the light bulb and the lake

To loosen your lips 'cause you're talking rubbish

To loosen your whole mistaken tenfold

(Ah, wa-oh, wa-oh, wa-oh)

(A while, while, while)

(You're wild, wild, wild)

Wooo!

Let's make some plans, let's makes some plans, let's make some plans

Let's make some plans, Ah, wa-oh, wa-oh, wa-oh

Let's make some plans, let's makes some plans, let's make some plans

Let's make some plans, Ah, wa-oh, wa-oh, wa-oh Let's make some plans, let's makes some plans, let's make  
some plans

Let's make some plans, Ah, wa-oh, wa-oh, wa-oh
