#thatpower

Will.i.am

And oh, I'm alive, I'm alive, I'm alive
And oh, I can fly, I can fly, I can fly
And oh, I'm alive, I'm alive, I'm alive
And I'm loving every second, minute
Hour, bigger, better, stronger, power

I got that power
I got that power
I got that power
Power power power

They call me Will-A
Stay so cool, I'm chilling
I done made that maley
On my way to that valet
Used to have a piggy bank
But now I got that bigger bank
Who who cares what the haters state
They hate on me cause we doing what they can't

I stay on that hustle, I flex that little muscle
Hate to burst your bubble, I'm on that other level
I'ma take it higher and high, high and higher
I stay and buy attire, keep burning like that fire

And oh, I'm alive, I'm alive, I'm alive
And oh, I can fly, I can fly, I can fly
And oh, I'm alive, I'm alive, I'm alive
And I'm loving every second, minute, hour
Bigger, better, stronger, power

I got that power
I got that power
I got that power
Power power power

Yes yes yes yes yo
Feeling funky fresh yo
Work to be the best yo
We?re good under pressure

Been through all that stress yo
Get this off my chest yo
Made it out in project
Where this project that's progression

I beat it for my mama
I told her when I was younger
That I'ma be that number one
Yep, I'll be that number one
I take it higher and high, high and higher
I stay and buy attire, keep burning like that fire

Whatever doesn't kill you
Only makes you stronger, so I'ma get stronger
Coming like a batter-ram, batter-ram
I'm knocking, knocking down that door again
Come, coming like a batter-ram, batter-ram
I'm knocking, knocking down that door again

And oh, I'm alive, I'm alive, I'm alive
And oh, I can fly, I can fly, I can fly
And oh, I'm alive, I'm alive, I'm alive
And I'm loving every second, minute, hour
Bigger, better, stronger, power

I got that power
I got that power
I got that power
Power power power

And I'm loving every second, minute, hour
Bigger, better, stronger, power
And I'm loving every second, minute
Hour, bigger, better, stronger, power
