

# (And) Then He Kissed Me

## The Crystals

He walked up to me and asked me if I wanted to dance  
He looked kind of nice and so I said I might take a chance  
When he danced he held me tight  
And when he walked me home that night  
All the stars were shining bright  
And then he kissed me

Each time I saw him, I couldn't wait to see him again  
I wanted to let him know that he was more than a friend  
I didn't know just what to do, so I whispered, "I Love You"  
He said that he loved me too  
And then he kissed me

He kissed me in a way that I'd never been kissed before  
He kissed me in a way that I want to be kissed forever more  
I knew he was mine and so gave him all the love that I had  
And one day he took me home to meet his mom and his dad

Then he asked me to be his bride  
And always be right by his side  
I felt so happy that I almost cried  
And then he kissed me

Then he asked me to be his bride  
And always be right by his side  
I felt so happy that I almost cried  
And then he kissed me  
And then he kissed me  
And then he kissed me
