I Canâ€™t Forget You

Patsy Cline

I can't forget you
I've got these memories of you
I can't forget you
I'll always be loving youOnce we were happy
We were so carefree and gay
Then something happened
And you went awayI can't forget you
Please tell me what must I do
My memories haunt me
Because I'll always love youWhere are you, darlin'?
Are you with someone new
I can't forget you
I'll always be loving you(I can't forget you)
(I've got these memories of you)
(I can't forget you)
(I'll always be loving you)I can't forget you
Please tell me what must I do
My memories haunt me
Because I'll always love youWhere are you, darlin'?
Are you with someone new
I can't forget you
I'll always be loving you
