Jesus Paid the Ransom

Virtue

Jesus paid the ransom with His blood
Said, He rescued me and He washed my sins away
Jesus paid the ransom with His blood
Said, He rescued me and He washed my sins awayHe forgave me when my life was lost
Jesus paid the cost and He saved me
He made me whole and restored my soul
He is always right on time
And He loves me inspite of my mistakes
That's why I sayI'm no longer heavy hearted, I ain't gotta cry no more
Every single day with Jesus is sweeter than the day before
I'm trustin' in His word, I'm leanin'
On the everlasting arms, I'm joyful in His grace recievin'
The burden of my sin is goneJesus paid the ransom with His blood
Said, He rescued me and He washed my sins away
Jesus paid the ransom with His blood
Said, He rescued me and He washed my sins awayI was on the verge of giving in, searching for the light
I tried to go my own way but I just ended up lonely
Just when I gave up, thought that all was lost
I found my redemption at the cross
That's why I sayI'm no longer heavy hearted, I ain't gotta cry no more
Every single day with Jesus is sweeter than the day before
I'm trustin' in His word, I'm leanin'
On the everlasting arms, I'm joyful in His grace recievin'
The burden of my sin is goneJesus paid the ransom with His blood
Said, He rescued me and He washed my sins away
Jesus paid the ransom with His blood
Said, He rescued me and He washed my sins awayJesus paid the ransom with His blood
Said, He rescued me and He washed my sins away
Jesus paid the ransom with His blood
Said, He rescued me and He washed my sins awayHe paid it all, He paid it all
He paid it all, He paid it all
He paid it all, paid it all, paid it allJesus paid the ransom with His blood
Said, He rescued me and He washed my sins away
Jesus paid the ransom with His blood
Said, He rescued me and He washed my sins away
